

Board Member's Code of Conduct

- As a member of a Volunteer Board, I have an obligation to ensure decisions are made with all players in mind and not for my personal benefit. The needs of the many outweigh the needs of the few.
- As a member, I will always consider financial factors when making decisions. Fiscal responsibility is crucial in non-profit organizations.
- As a member, I will always declare a conflict of interest when topics directly affect me.
- To the best of my ability, I will complete my job responsibilities on time and under budget. My actions must be justified to the membership.
- When a decision is made, I will fully support it, whether I voted for it or not. It is UNACCEPTABLE for me to publicly state that I did not agree with the decision.
- I will refrain from public discussion of a decision until the recorded minutes have been circulated.
- I will respect confidentiality of information received during Board meetings and activities.
- I will refrain from speaking on behalf of the association unless designated to do so by the Board.
- I will refer complaints to the appropriate member of the Executive.
- I will publicly support my Board Members whether I agree with how they are doing their job or not.
